

Hello Ladies,

You will be able to find good measuring instructions on their website. [www.Tuxedowholesaler.com](http://www.Tuxedowholesaler.com)  
Check out the “how to measure” section and don’t get the tape measurer too snug. Service time is slower in the fall, due to increased ordering. So we would like to do a group order on July 1st. Shipping for a group is 10% of your total, vs. \$10 for individual orders. The dresses are \$56.50

Please send order form & check to P O Box 4179 by June 15<sup>th</sup> so we can have time for checks clear before we order.  
Please let us know if you have any questions.
